5 Pag-iwas sa sakit

6 Ginhawa ng isip at damdamin

Bawat Health Worker at Institusyon

7 Kapakanan at karapatan ng health workers

8 Proteksyon sa anumang pandemiya

HEALTH SECTOR GOALS

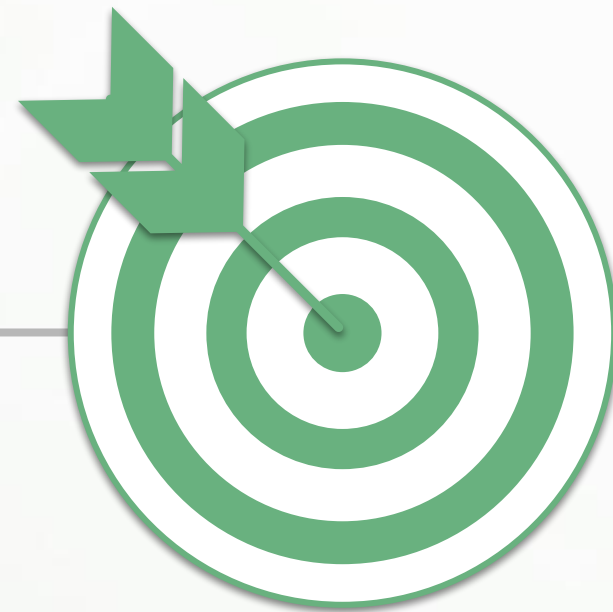

GOAL 1

BETTER HEALTH
OUTCOMES

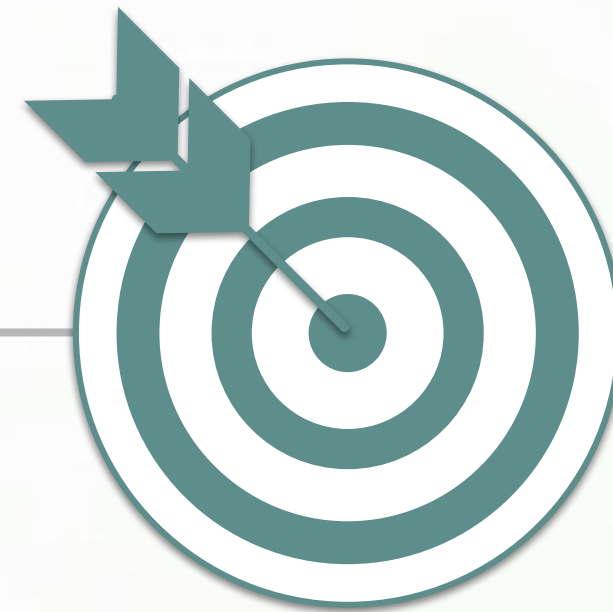

GOAL 2

STRONGER HEALTH
SYSTEMS

GOAL 3

ACCESS TO ALL
LEVELS OF CARE

VISION

**FILIPINOS ARE AMONG
THE HEALTHIEST IN ASIA
BY 2040**

IMPACT INDICATORS

GOAL 1

BETTER HEALTH
OUTCOMES

NO.	INDICATOR	BASELINE (Year)	END TERM TARGET (2028)	DATA SOURCE	REPORTING UNIT
1	Average Life Expectancy (years)	Male 70 (2020) Female 76 (2020)	Male 71 Female 77	Civil Registration and Vital Statistics (CRVS)	PSA
2	Maternal mortality rate per 100,000 live births	144 (2020)	<111	CRVS	PSA
3	Infant mortality rate per 1,000 live births	22 (2022)	12	National Demographic and Health Survey (NDHS)	PSA
4	Premature mortality rate attributed to non-communicable diseases	5 (2020)	1	CRVS	PSA
5	Tuberculosis incidence (per 100,000 population)	650 (2021)	<500	TB Global Report	WHO
6	Prevalence of stunting among children under five years of age	27 (2021)	18	Expanded National Nutrition Survey (ENNS)	FNRI

IMPACT INDICATORS

GOAL 2

STRONGER HEALTH SYSTEMS

NO.	INDICATOR	BASELINE (Year)	END TERM TARGET (2028)	DATA SOURCE	REPORTING UNIT
7	Responsiveness score	93 (2019)	>93	UHC Household Survey	DOH-PMSMD
8	Client Satisfaction Rate	85% (public facilities) 97% (private facilities) (2019)	>85 (public facilities) >97 (private facilities)	UHC Household Survey	DOH-PMSMD

IMPACT INDICATORS

GOAL 3

ACCESS TO ALL
LEVELS OF CARE

NO.	INDICATOR	BASELINE (Year)	END TERM TARGET (2028)	DATA SOURCE	REPORTING UNIT
9	Household out-of-pocket health spending as percentage of current health expenditure	42 (2021)	<28	Philippine National Health Accounts (PNHA)	PSA
10	Incidence of catastrophic health expenditure among those who had at least one inpatient care	30% (2021)	<30	Special Study using Family Income and Expenditure Survey Data	DOH-PMSMD

THE HEALTH SECTOR 8-POINT ACTION AGENDA

**Sa Healthy Pilipinas,
Bawat Buhay Mahalaga!**

Bawat Pilipino

1 Bawat Pilipino, ramdam ang kalusugan.

2 Ligtas, dekalidad, at mapagkalingang serbisyo

3 Teknolohiya para sa mabilis na serbisyong pangkalusugan

Bawat Komunidad

4 Handa sa krisis

5 Pag-iwas sa sakit

6 Ginhawa ng isip at damdamin

Bawat Health Worker at Institusyon

7 Kapakanan at karapatan ng health workers

8 Proteksyon sa anumang pandemiya

**Bawat Pilipino,
ramdam ang
kalusugan**

1

Mainstream and strengthen the primary health care approach, ensuring that every Filipino has access to comprehensive health services without experiencing financial hardship.

STRATEGIC INTERVENTIONS

01

Ensure access to primary care services

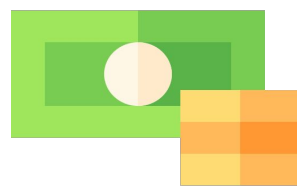

02

Strengthen Primary Care Provider Networks and Health Care Provider Network

03

Ensure every Filipino is registered to a Primary Care Provider

04

Boost national and local financing for primary care

**Ligtas, dekalidad,
at mapagkalingang
serbisyo**

2

Ensure the provision of high-quality, safe, and people-centered services, which include access to affordable medicines, across the lifestages.

STRATEGIC INTERVENTIONS

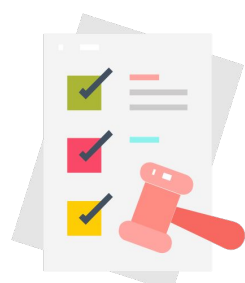

01

Ensure delivery of comprehensive and integrated health and nutrition services across all levels of care

02

Implement mechanisms for commodity availability and affordability

03

Adopt agile regulation to accommodate underserved areas

Teknolohiya para sa mabilis na serbisyong pangkalusugan

3

Leverage digital health and technology for efficient and accessible health service delivery.

STRATEGIC INTERVENTIONS

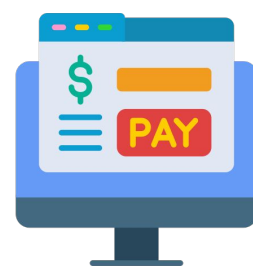

01

Increase efficiency and productivity in service delivery by harnessing digital health technologies

02

Streamline administrative processes and data management in the DOH and the health sector through digital transformation

03

Improve benefit payment processing through leveraging data services and innovative technologies

04

Engage the private sector in digitalization initiatives in health

Handa sa krisis

4

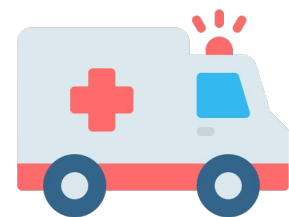

Ensure a responsive and resilient health system and communities that can effectively prevent, prepare for, respond to and recover from public health emergencies and crises

STRATEGIC INTERVENTIONS

01

Strengthen the climate resilience and environmental sustainability of health care facilities

02

Advance capability to manage large-scale health emergencies

**Pag-iwas sa
sakit**

5

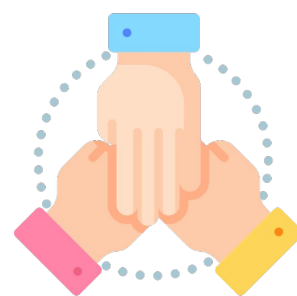

Address determinants of health and improve healthy behaviors through the promotion of health-enabling settings, implementation of healthy public policies, and enhancement of health literacy.

STRATEGIC INTERVENTIONS

01

Enable adoption of healthy behaviors of the seven priority areas of the Health Promotion Framework Strategy

02

Strengthen intersectoral action and health promotion governance at all levels

Ginhawa ng isip at damdamin

6

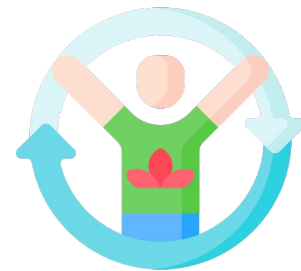

Enhance Filipinos' well-being and ensure quality mental health services

STRATEGIC INTERVENTIONS

01

Improve access to health services for mental, neurological and substance use disorders

02

Integrate client-focused approaches towards holistic care

03

Institutionalize Enhanced Treatment Program for Outpatient Services for Drug Users

Kapakanan at karapatan ng health workers

7

Ensure an adequate, competent, and committed health workforce by providing fair compensation, decent work conditions, and opportunities for career development

STRATEGIC INTERVENTIONS

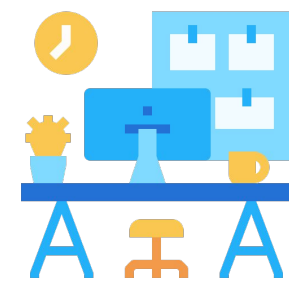

01

Increase availability of health workers in health facilities, institutions, and communities

02

Strengthen capacities of health workers to deliver health quality services

03

Improve working conditions of healthcare workers at all levels of the health care system

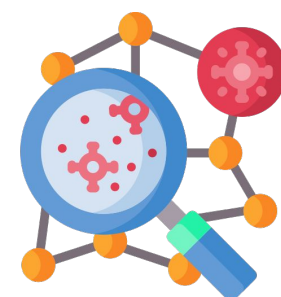

Proteksyon sa anumang pandemiya

8

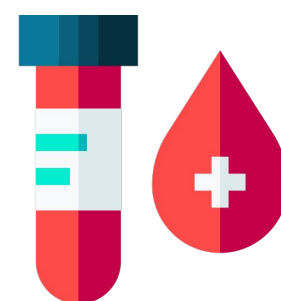

Strengthen health systems and structures to prevent, manage, and recover from disease outbreaks and potential pandemics

STRATEGIC INTERVENTIONS

01

Strengthen Disease Surveillance and Epidemic Response

02

Institutionalization of Philippine Health Laboratory System

HUMANISTIC LEADERSHIP & GOOD GOVERNANCE

HUMANISTIC LEADERSHIP

This leadership approach calls on all stakeholders to demonstrate genuine empathy, care, and support for others. The essence of this leadership style is its **service-driven** and **people-oriented** nature.

GOOD GOVERNANCE

This calls on all stakeholders to ensure that health commitments are judiciously pursued using **strategy**, **performance**, and **quality management systems**.
